Meeting Motions / Actions and Summary of Discussions:

The minutes of the October and December meetings were accepted unanimously.

New members Karen Cintolo and Audrey Kelly welcomed. Both are interested in helping to improve the town. We are happy for their involvement. The Committee still has an additional position it is seeking to fill.

Clean Up Day will be May 14, 2016 from 9am-2pm. Will plan to have the set up at Town Hall this time and will use the Sign Up Genius and also seek donations for free raffle prizes. We will work on publicity as well such as town website and town FB page.

Nancy brought up OSJL and the persistent trash issue at that plaza. The Committee agreed to draft a letter to the management co. and OSJL corporate. The next step will be notifying the board of health.

Jackie is following up on Andover Street pole in front of switch box. The guywire is from Verizon.

The rewording of the Beautification Committee budget will be in the next warrant.

Have not heard back from the high school on a student rep.

Mark suggested coordinating with other agencies around Clean Up day to have more of an impact. Suggested using the Town Twitter account to mention the event. Committee will draft a Save the Date notice for local groups including Elks, Knights, Lions, Sons of Italy VFW, DAV, Rotary, Rod and Gun Club, Shawsheen River Watershed.

Karen offered to do more frequent write ups for the papers regarding different BC initiatives.
